Welcome to the newest Sightseeing guide for Bangkok! This is not simply a book which is converted to eBook format, but it is especially and exclusively designed for eBook readers (e.g. Kindle, Smartphones or Tablets).

How do you benefit from this e-concept? This book not only contains printed Maps on each sightseeing spot, but additional also online Maps for those devices that have a GPS, Mobile or WIFI Connection. This allows you to see where your current position is as well as your target sightseeing position on Google maps. So you can easily navigate yourself to any of those places! If you don't have an online connection or GPS, don't worry the offline maps also show you where you will head to.

What will we offer you on the following pages? This e-guide gives you really practical tips on how and why to go to Bangkok, from purchasing a flight ticket, considering the right Hotel and a lot of useful tips on the easy way to get around. Stay one day only or multiple days, simply follow our Day 1 until Day 4 Guide and you will see the most important sights in the beginning towards the least important stuff on Day 4
