I'm finally home after struggling through my brother's illness and death.

But, home is definitely a bit different. My best friend (the only person alive now that knows my secret) has a new boyfriend; and he has a friend. Shane Maxton: bad boy, tattooed rock god, eye candy extraordinaire. He is also New York City's most arrogant, self-serving, son of a, well, a definite one-night stand kind of a guy. But, it doesn't matter to me because I've spent my existence looking for the love of my life, my angel. And, there is nothing that Shane Maxton can do to change that. A paranormal romance.
