Here is a beautiful picture book with musical rhymes that celebrates diversity and promotes kindness, sure to strike a chord with the many fans of Louis Armstrong's "What a Wonderful World". When a lion is removed from his natural habitat, forced to leave his African land and his pride behind and crowned King of Animals in a zoo, but acts out and becomes a secluded, captive beast all humans give up hope. Only a patient and observant brown little dog stands by his side and, through his optimism and kindness, turns the beast into a friend for life. Inspired by the true story of Bonedigger, the disabled lion and the friendly Dachshund Milo who proved that friendship knows no boundaries, "The Lion and the Dog" is a brilliant, colourful tale that shines when read aloud and is a definitive must-have for all collections. Similar books: "The Cheetah and the Dog", "The Elephant and the Sheep".
