Full of seething, sensual shadows and hidden faces, the annual Masquerade Ball at Lympo Resort is one event anyone would sell their soul for. One night a year, impiety and temptation take center court at the invitation only event hosted by the mysterious Avan Noxturna. Decadent darkness, burning lust, and wicked intentions hide behind innocent masks in the most innocuous places. The fires of hell may blaze hot, but the flames of passion consume common sense when obsessive memories escape to ignite an inferno of intimate bliss that will sear both saint and sinner.
