Full of information about living without a permanent residence, this complete collection contains helpful and informative tips for living far outside of cities and bereft of technology. All of the tips and advice have been edited down to what remains relevant in a technologically changing world, and it is crammed full of informative tips for biking, tents, showering, cooking, and living. Whether camping on the edges, living simply, or getting by on the road and loving it, this book is for modern nomads choosing alternative lifestyles to working 9–5 in the same place.
