Evolution of the cycle of events from life, sustenance, to death. Everything that has a beginning must die and a supernatural tale of Ragnarok and eschatology that breaks down the bonds of reality and tears the world asunder. Chronology of the events and sequence of key points of the Ragnarok. The characters are pitted against each other in a manner to mandate survival in the ultimate test. Survival in an uninhabitable world. Features Norse symbolism and derives tales from the sagas and eddas to create a modern setting of an eschatology scenario by Odinist Gothi Benjamin Long.
