Two callers a day.

Ten callers a week. Over four-hundred in a year. ...and one has the power to change his life. Liam Hardt, radio personality for an award-winning hits station in San Diego, is known for his sexy voice and pretty face. But also, for the increasingly popular segment, Caught In The Act—where he helps people corner their cheating significant others. It's all fun and games though until one call—one caller—hits him in inexplicable ways. “This is incredibly forward, and...probably a lot crazy...” When Kensley Cole calls into the show, it's because she's finished. She's through with Mark's frequent trips, his inability to care for their daughters, and with what she's sure has been a dead relationship for the last four years. But with the help of Caught, she gets more than Mark's mistress's name—she gets an earful of all that was wrong with her. She doesn't expect to fall so quickly for the man with the dog. The very man who had a front-row seat to the nasty things her ex shared with San Diego. But Liam is everything Mark never was—for both her and her babies. Still, having lived with Mark for eight years, she knows he won't go down without a fight. She can't very well ask Liam to sign up for that. Too late—he's already caught up in her.
