At first, Jessica is frightened by the sight of a stranger hiding in the barn. But the young man is weak, cold, and injured, and he looks more scared than she is. He stares at her but doesn't say a word.

Jessica asks him to follow her into the house where it is warm, still wondering who he is. The War of 1812 is being fought on farms nearby, but the stranger hardly looks old enough to be a soldier. What is he doing out in the cold on Christmas Eve?
