In this gripping novel, dark betrayal surrounds two lovers who have dated secretly for two years, all while desperately trying to find a solution to their religious differences. Jack Fraser is a lonely and desperate divorced father of two who is struggling to live a normal life while attempting to shut the door on his haunting past. Caity Anderson is a beautiful and patient media executive desperately in love with Jack. Initially, she believes she is kept a secret from Jack's family and church simply because she's not Catholic. As Caity begins to realize the depth Jack is intertwined with the Catholic Church, she hires handsome detective Stewart Banks to assist her in her hope search for the truth about the secrets that threaten to destroy her relationship. Surrounded by corruption, their world spins wildly out of control just as Father O'Malley, a selfish and manipulative priest who deceived Jack as a boy, decides he will do anything in his power to protect his bishop. Catholic leaders want desperately to destroy the entangled web of betrayal that surrounds their beloved church, Caity wants a future with her one great love, and Stewart Banks is driven to uncover a secret world of Betrayal.
