Caiden is young, hot, pretentious, and wealthy. He lives in the guest house behind his mother's New Orleans plantation. He spends his time either with his best friend Jacob in the Bourbon Street clubs or by searching for his next lover to appease his strong sexual appetite. But after growing tired of the bar scene and different bed partners every night, Caiden begins to feel a certain yearning for the attention of his best friend. Mysterious Physique is a story of love and lust as a Southern man satisfies the desires of his libido while struggling for the attention of the one man he thinks he cannot have. From the lush back yard havens of River Road to the raunchy backrooms of Bourbon Street, readers will find themselves lost in the sexy decadence that is New Orleans. Caiden is a character you'll hate on one page and fall in love with on the next as he uses multiple playmates to satisfy his urges, all the while longing for his best friend to satisfy his heart ache.

In part one of this series, on the eve of his birthday, Caiden takes to the streets and bars in search of Jacob. Along the way, he encounters a few everyday characters in his life who have had the pleasure of sleeping with him. Reminiscing of those steamy trysts, Jacob grows even more eager to find Jacob and spend time with him.
