Enjoy both Washington D.C. & Paris Confessions in one spicy volume! CONFESIONS OF A CITY GIRL: WASHINGTON D.C. When famous romance novelist Violet Bell returns to her DC alma mater to speak to the senior class about her glamorous life ten years after graduation, the last thing anyone expects to hear is the truth. But after a devastating divorce and way too many missed writing deadlines have left her scrambling for both money and her sanity, not even a healthy dose of Xanax can stop the humiliating meltdown she has on stage. As soon as her shocking anti-love diatribes go viral, Violet's once lustrous career writing happily-ever-afters becomes a distant memory. With nowhere else to turn, Violet finds solace at the home of her closest friend from college, Aaron Wright. Practical, preppy, and married to his job on the Hill, Aaron was never the guy for the ultra-scandalous Violet. But a whirlwind weekend together in the Nation's Capital could have her wondering if Mr. Wright hasn't been right underneath her nose all along... CONFESIONS OF A CITY GIRL: PARIS From bestselling author Juliette Sobanet, a charming and poignant short story that will take you on a heartwarming journey through the City of Light... Overworked talk show assistant Olivia Banks sets off on a one-day adventure in Paris to fulfill the dreams she and her sister once had as little girls, and ends up finding herself...and love...along the way.
