The cradle of the Maya civilization, a land of mystery and magic, Yucatan stands proud as one of Mexico's most unique regions. Charge into rain forest adventures, explore the legacy of the enigmatic Maya, check out the secret corners of colonial cities, or simply do that whole Mexico, sit on the beach with a Corona' thing. No stone is left unturned - from Cancun to Cozumel and everywhere in-between - in this comprehensive and informed guide. Mi Querido Yucatan - candid local interviews reveal the history and culture of this region in living color. Beat The Crowds - expert tips and informed itineraries get you to the unexplored corners of this dynamic and ever-evolving region. Hot Spot - get deep into modern Maya culture in Chiapas and Tabasco with our new regional chapter. Travel Back - explore the history and rites of the Maya with unmatched historic coverage and informed cultural features.
