Noel is a lonely librarian who spends most of his time working, surfing dating websites to no avail, and hanging out with the cat who shows up on his balcony every night. When he meets Mike, he's finally found a man who holds his interest.

But it soon becomes clear that there's more to the bird-chasing businessman than what's on the surface. A story from the Dreamspinner Press 2016 Daily Dose package "A Walk on the Wild Side."
